I know they are working on updating some information post their meeting on the Hill on this same topic next week. So as soon as that is ready – but no later than the 22nd I would think.

Thank you!

Hi Holly,

My apologies - I forgot to ask a clarifying question.

When would you like ORD to send material to you?

Best,

Kevin

Kevin,

We need to provide OMB with meeting materials in advance of the meeting on the 24th. Can you please work with Jennifer/Chris/Richard to have those sent my way?

Thank you!

Holly
